## Attendance:

**Well done to this week's attendance winners Mr Richardson's class 3BR**

Your support for your child's education is invaluable and the benefits pupils gain from being at school every day cannot be underestimated. Thank-you!

This week we have shown our Christian value of **reverence**.

The nature of God, as revealed in the Bible, presents all people with a choice. Those whose response is one of respect are acknowledging God's greatness, authority and involvement in the world. This will extend to respect for the created order, including humanity made in the image of God. Reverence takes this response a step further and will include aspects of worship such as awe and wonder, surrender and sacrifice.

This half term, our classroom reflection areas have been focused on our value of reverence. This is a tricky one but after some discussion, we decided that this means the things that God has done that make us go, 'Wow!' There are so many things but this week, Year 1 had a moment of reverence when they visited Christ Church, especially when Reverend David played the organ for them.

Thank you to all the children who participated in the Church Service at the weekend. It was a very powerful service and a great plastic free message. Thank you to all the parents, carers and children who attended the service too.

It was lovely to see the Church so full.

## Nursery

Nursery were very excited to play with their new train track today. We were so impressed by how well they shared and worked together! We were surprised when there was a bear on the line

## Reception

Reception worked in their Kagan teams today to find lots of different ways to make 7. Fantastic team working!

## Year 1

Year 1 enjoyed a visit to Christ Church. Reverend David taught us about all the special objects and symbols that are found in the church and what they symbolise. We loved hearing him play the organ. It made us all think 'Wow!'

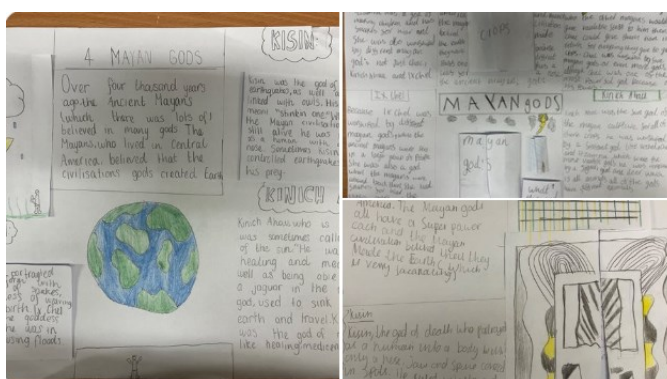

## Year 3

In year 3 we have been experimenting how far a toy car will travel on different surfaces.

## Year 5

For the last few weeks, Year 5 have been working on non-chronological reports about Mayan gods. Today they combined all their hard work to present their reports. Here are just a few. We're sure you will agree, they are amazing!

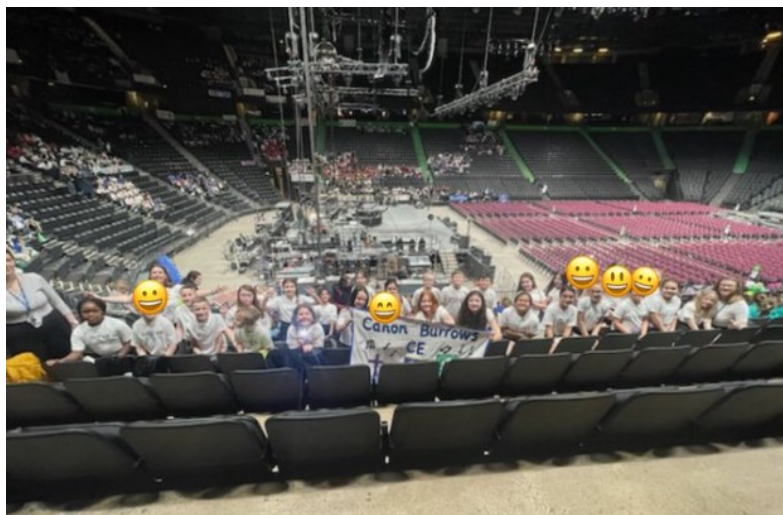

## Sports

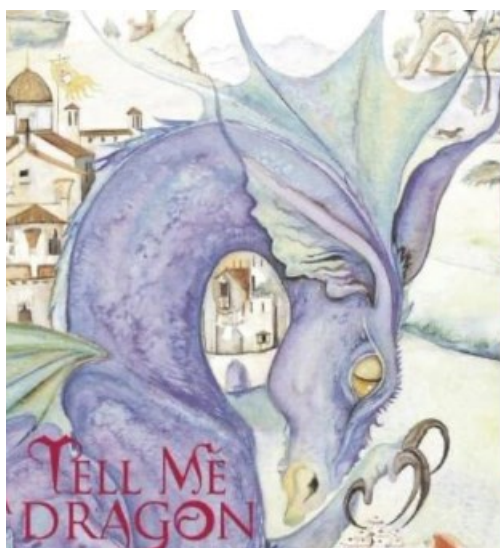

**Congratulations to Harley, Archer and Patrick who have qualified for cross country.**

## Young Voices 2023

## Book Club

In our KS1 reading club we have been reading 'Tell me a Dragon' by Jackie Morris. The children have been Dragonologists this week searching for their missing dragons. As you can see some of our dragon eggs of hatched!
