Emmie			

## Attendance:

### Well done to this week's attendance winners- 6AB

Your support for your child's education is invaluable and the benefits pupils gain from being at school every day cannot be underestimated. Thank-you!

## **This week we have shown our Christian value of service**

**Jesus exemplified in his person, ministry and relationship with God, what it was to be called the “servant king”. Christians believe that their calling is to follow Jesus’ example according to their gifts or abilities. They believe that through serving God in others, “perfect freedom” will ultimately be found.**

**At Canon Burrows, we pride ourselves on taking care of God’s creation. Saturday is Earth Day - an annual event to show support for environmental protection. This week’s homework is an opportunity for us all to complete an act of service to help our precious world.**

**Although our individual acts feel small, together we can make a huge difference in the protection of our planet.**

**Canon Burrows cordially invites you to  
a special coronation picnic on Friday  
5<sup>th</sup> May**

**If your child doesn't usually have a  
school dinner, but would like one on  
this day, please order through the  
School Spider app before Thursday  
27<sup>th</sup> April.**

**Children are welcome to dress up as  
kings, queens, princes, princesses, or  
in red, white and blue for the occasion.**

## Year 1

**Great learning from Year 1 using the bee-bots working in their Kagan groups.**

## Year 4

**Year 4 have begun their Shakespeare journey and have been exploring the characters of Twelfth Night through a story whoosh!**

## Eco News

**It is that time of year....the potatoes are going in! Thank you Mr Clark for chitting them and helping us get them in!**

**As an Eco School, we have been striving to raise awareness about the importance of keeping our waterways clean, not only for children but for adults as well.**

**Why is it important to keep our waterways clean?**

**Clean waterways are essential to our environment and our health. Not only do they provide us with drinking water, but they also support a wide variety of wildlife and help to maintain biodiversity. Keeping our waterways clean and free from pollution is essential if we want to protect these vital resources for future generations.**

**As part of our educational outreach, Friday News will be providing weekly advice on how to conserve water. Doing so can help us protect the environment and ensure our water sources are sustainable for generations to come.**

### **SWITCH TO SHOWERS!**

**Switching from baths to showers is an easy way to save water. If you're already a shower person, then try keeping your shower to 4 minutes or less. Lots of water companies will send you a shower timer for free – check with your provider to find out.**

**We're looking for your best water-saving tip to be featured in Friday News! Share your idea and help spread the word about conserving this precious**

**Dear Parents,**

**As part of our Eco Schools action plan, we are organising a charity raffle to raise funds for a Marine Conservation charity. We know that our children have big hearts and we want to give them the opportunity to make a difference.**

**We would love to hear which charity your children would like to donate to and why. Please let us know by Friday 28<sup>th</sup> April by filling out this survey:**

**<https://forms.office.com/e/jNmnQL3Fjb>**

**Your answers will help us decide which charity should receive our donation.**

**Starting from Monday, your children can join the fun and contribute to a great cause by participating in the raffle! Tickets cost 20p each. We appreciate your input and look forward to hearing your suggestions soon.**

**Thank you,**

**Congratulations to Miss Fildes on the birth of her daughter - Enfys Fildes.**

**We would like to wish a happy Eid to all of our staff and families who are celebrating today and over the weekend.**

**Congratulations to Mr and Mrs Jackson on their Marriage.**

**Congratulations to Mr Richardson on completing the Manchester marathon.**

If you have any picnic blankets that you could donate for our coronation picnic, please can you send them into school. If you would like them back, please ensure you put your name on them!

Year 5 are beginning to prepare for our annual Science Fair. For one of their experiments, they need lots of plastic bottles. Over the next few weeks, rather than adding them to your recycling, please bring any empty plastic bottles into school for Year 5.

Please upload your child's portrait of King Charles by Friday 28th April. Instructions for this are on the portrait sheet.

Children should be in school PE kits (blue/black joggers/shorts and a yellow t-shirt).
