Canon Burrows C of E Primary School, Oldham Road, Ashton-Under-Lyne Issue 401 Spring 1 Term - 2019

## SAW Week

Thank you for all the amazing scientist costumes that the children wore on Monday. It was fantastic to see all the effort that had been put into their outfits.

On Monday, our SAW week started with a **bang** as Explosive Erica from Mad Science led a fascinating assembly about different types of energy.

Year 5 held their annual science fair on Tuesday and Wednesday, when all the children in school got a chance to have a go at some of their experiments. The Year 5 parents and children from Waterloo school also had the chance to experience the fair on Wednesday. Thank you to all the Year 5 children and staff for another brilliant science fair. Thanks to all the parents who were able to come along and the staff and children from Waterloo, we hope you enjoyed taking part in the activities.

On Wednesday & Thursday, the KS2 children had the chance to take part in some fantastic workshops led by Mrs. Walker, a science teacher from Blue Coat School. She demonstrated lots of different types of science in action and encouraged the children to think about variables, an essential part of science investigations.

Year 1 had the chance to interview some parents & grandparents about their childhood toys on Monday. Thanks to all those who came along to be interviewed.

MR. FRASER FROM BIBLE ENCOUNTER TRUST CAME TO LEAD WHOLE SCHOOL COLLECTIVE WORSHIP ON THURSDAY. HE TALKED ABOUT TRUST - TRUSTING GOD & TRUSTING OTHERS.
